

18th Contracting Squadron

Integrity - Service - Excellence

JOINT INDUSTRY DAY USAF PROJECTS

"RIGHT STUFF ON TIME - EVERYTIME"

PKC Summary

- **18 CONS CONSTRUCTION FLIGHT (PKC)**
 - **FOUR TEAMS TO SUPPORT**
 - 18 CIVIL ENGINEERING GROUP (CEG)
 - DEPARTMENT OF PUBLIC WORKS (DPW), TORII STATION
 - **MULTIPLE CONTRACT VEHICLES**
 - **MULTIPLE AWARD CONSTRUCTION CONTRACT (MACC)**
 - MINI-MACC RANGE BETWEEN \$250K - \$750K
 - MACC RANGE BETWEEN \$500K - \$30M
 - **SINGLE AWARD INDEFINITE-DELIVERY, INDEFINITE QUANTITY (IDIQ)**
 - PAINT MACC
 - REMOVAL OF ASBESTOS CAUSING MATERIAL & LEAD BASED PAINT
 - AIRFIELD PAVING
 - **ARCHITECT-ENGINEERING SERVICES**

PKC Summary

- **FY20 Prospective Projects**
 - **Always contingent upon funding**
 - **18 CEG**
 - Currently working approximately 22 projects
 - Sources Sought for specific IDIQs
 - Fencing
 - Spalling
 - Flooring
 - Re-compete of the Mini-MACC
 - **DEPARTMENT OF PUBLIC WORKS (DPW), TORII STATION**
 - Awaiting approximately 19 projects

18 CEG

CONSTRUCT ENTRY CONTROL FACILITY

Description / Scope: All plant, labor and materials required to construct a 10 ft. X 10 ft. concrete structure with concrete foundation, floor slab, walls and roof slabs.

Projected Magnitude: Between \$750,000 – \$1,000,000

Projected Solicitation: MACC. LXEZ181487 (expected Posting February 2020)

18 CEG

ADD LIGHTNING PROTECTIONS SYSTEMS, MULTI

- Description / Scope:** Plan, design, manage, and construct the project to provide architectural and electrical support work to facilitate installation of lightning protection system for buildings B246, B3628, and B3678 at Kadena Air Base
- Projected Magnitude:** Between \$100,000 – \$250,000
- Projected Solicitation:** Mini - MACC. LXEZ191561 (expected Posting February 2020)

18 CEG

RENOVATE COMMUNICATIONS FACILITY, B400

Description / Scope: Replacement of floor finishes, wall base and ceiling, repair of cracks and spalling in concrete ceiling/roof and walls in building interior and exterior .

Projected Magnitude: Between \$1,000,000 – \$5,000,000

Projected Solicitation: MACC. 1069509 (expected Posting February 2020)

Integrity - Service - Excellence

18 CEG

REPAIR AIRCRAFT MAINTENANCE HANGAR, B780

Description / Scope: General renovation :Repair roof, repaint interior walls, replace carpet and pad, repair concrete hangar floor coating, replace lighting, upgrade bathrooms fixtures, and install hot water boilers.

Projected Magnitude: Between \$1,000,000 – \$5,000,000

Projected Solicitation: MACC. LXEZ181441 (expected Posting February 2020)

18 CEG

DEMO STORAGE FACILITY, 18 CEG, B1472 & B1475

Description / Scope: Plan, manage and supervise the demolition and disposal of 2 unused facilities to include removal and disposal of all equipment, infrastructure piping, walkways, pavement, concrete structures and foundation

Projected Magnitude: Between \$500,000 – \$1,000,000

Projected Solicitation: Mini-MACC. 1069147 (expected Posting April 2020)

DPW

REPAIR FLAG POLES, NAHA PORT

Description / Scope: Replace existing flag poles and construct a new 52 feet (16 Meters) high galvanized steel flag poles with concrete foundation

Projected Magnitude: Between \$100,000 – \$250,000

Projected Solicitation: Mini-MACC. JOH02030 (expected Posting Mar - April 2020)

Integrity - Service - Excellence

DPW

REPAIR HIGH VOLTAGE ELECTRICAL CABLE, SH-K2

- Description / Scope:** Install the high voltage (13.KV) switch gear, 200 AMP and 100 meters long underground high voltage cable with duct
- Projected Magnitude:** Between \$250,000 – \$500,000
- Projected Solicitation:** Mini-MACC. JOH02030 (expected Posting Mar - April 2020)

DPW

REPAIR BY REPLACE WHOLE FAN COIL UNITS

- Description / Scope:** Replace 121 Ea. Fan Coil Unit's, chilled water supply (CWS) and chilled water return (CWR) piping system from mechanical room to FCU's
- Projected Magnitude:** Between \$1,000,000 – \$5,000,000
- Projected Solicitation:** MACC. PWH01507 (expected Posting Mar - April 2020)
